- 1h 40m 19s
- 83.24 mi

1. Bill your customers for tolls incurred

2. Know if toll routes are worth the time they save and find alternate non-toll routes

3. Avoid costly toll violation fees

4. Ensure accurate toll charges and maximize toll discounts

5. Minimize administrative burden for toll bill disputes

Toll Pain Points

Lack of interoperability
Complex fee structures
Complicated processes
Errors in the bill
Missed discounts
No data for route choices

US Fleets Pay $5 Billion in Tolls Annually

Is your fleet getting the discounts they are owed?

Is your toll bill accurate?

Is all your spending accounted for?

Are your tolls worth the time you're buying?

With our patent pending product **tollogic**™ you can optimize your tolling spend, avoid costly violations, and reduce administrative burden

tollogic™ is available as a standalone product and through the Geotab Marketplace
